Abbalove Church Family,

This year, we boldly took on the challenge of reading and studying the entire Bible together—from Genesis to Revelation (way to go!). Through our year of Biblical Literacy, many of us opened Scripture in new ways, wrestled through hard passages, and encountered the living God of the Bible. As we grew in the Word, we also deepened our commitment to prayer. We had 2 powerful weeks of prayer & fasting and opened a prayer room for our community. These were holy moments marked by worship, repentance, intercession, and a hunger for the Holy Spirit to move among us.

We rejoiced as new friends began following Jesus through our Kingdom Track in the spring, and as many courageously invited friends to Alpha in the fall. People who once felt skeptical about church and Jesus discovered a place to belong and a faith worth embracing. We celebrated 10 people who joyfully chose baptism, and we're thrilled that 80% of our community continues to practice following Jesus by gathering weekly in 8 Abbalove Groups. Our AbbaKidz and AbbaYouth were right there with us every step of the way. They worshiped with us on Sundays and encountered God in powerful ways through Summer VBS and the Malaysia mission trip.

Because of your generosity, we were able to continue improving our church home—from the Dry Creek landscaping project, to ongoing playground upgrades, to brand-new chairs in our gathering space. We also joyfully opened our doors to our local neighborhood by welcoming Trail Life into our facility—a scout troop committed to fathers raising sons in the way of Jesus. And through beloved community events like the Easter Egg Hunt, Trunk or Treat, and our Christmas Celebration, we had the privilege of serving and celebrating with our neighbors.

Christian Leo
Lead Pastor

We are so thankful for another amazing year, and we never grow tired of witnessing God transform lives right here in the Chino Valley.

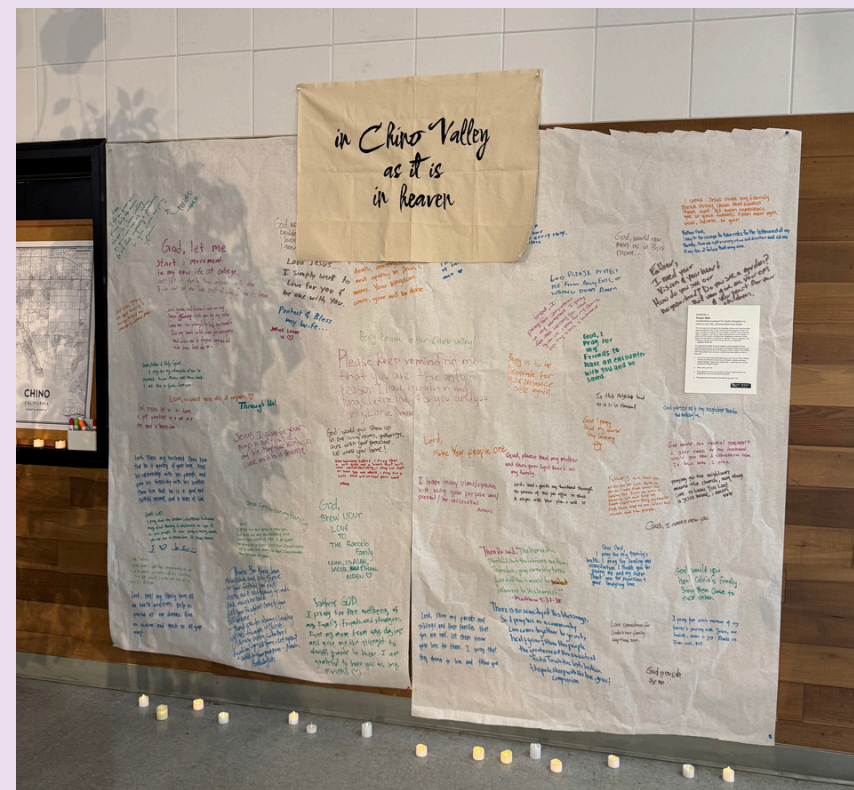

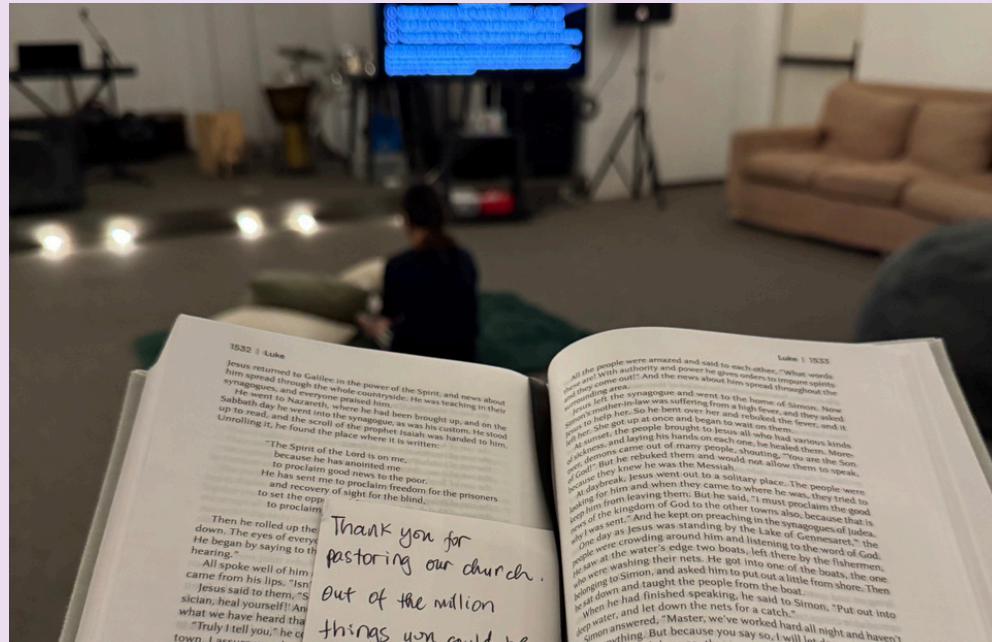

God has been so faithful, and we are expectant for all that He will continue to do. Thank you for your faith, your generosity, and your joyful participation in the life of our church!

Kids & Youth

AbbaKidz this year journeyed through the Old Testament alongside **The Biggest Story** as its guide. We've learned about God's people from the book of Genesis and currently in the 27th book, Daniel. Mr. Brain and the crew took AbbaKidz to **Breaker Rock beach** for the summer to discover more about biblical truths in the natural world. It has been an amazing year full of discoveries that lead us into the next year. **AbbaYouth** this year found meaningful relationships as well as a safe space for openness and healing. Our **Sunday Equipping Series** provided tools for their spiritual growth and help them navigate through their struggles and daily experiences.

Truth & Spirit

We committed together as a whole community to make this past 12 months **the Year of Biblical Literacy**. We studied the whole Bible genre by genre - from Genesis to Revelation - to establish a biblical worldview. This was an amazing undertaking. Our conviction is that as we wrestle with God's Word we will encounter him. And when we let the Spirit form us through the Scriptures, we are one step closer to become like Jesus. Prayer has also become a defining rhythm for our community this year. We fasted & prayed through our annual **Seek Week** and interceded for the Spirit to move in the nations as we joined **The Global Prayer Week**. We give thanks as we remember how God responded to every prayer lifted this year.

Discipleship Pathways

Our conviction is to call every single member of our church community to practice following Jesus into the deep. **In Alpha** we witnessed the group from previous year coming back and stepped into leadership roles to create space for new friends. This season, we have 15 leaders signed up for our **Group Leadership Cohort**, learning monthly how to lead our intentional communities well. We celebrate that 80% of our community are serving and practicing community regularly. 15 people walked through our **Kingdom Track** learning the basic of following Jesus and 10 people decided to get baptized this year!

The Mission

We love our local partnership with **Trail Life** in equipping Dads to disciple their Sons through practical life skills, the outdoors, and Christlike values. Our troop that meets in our facility has 12-15 boys. We continued creating a space for our neighborhood through our **community events**. Our heart is to serve this community and share the Gospel with them through our words and actions. Globally, our mission in providing free schooling in **Malaysia** has grown doubled in numbers of students. Many families are impacted by the Gospel. We also sent our mission trip to equip and serve alongside the team on the ground. We are looking to do the same in **Lebanon**.

Local & Global Engagements

Trail Life Scout Troops
in Chino, CA

Community Egg Hunt, VBS
Trunk or Treat, Christmas

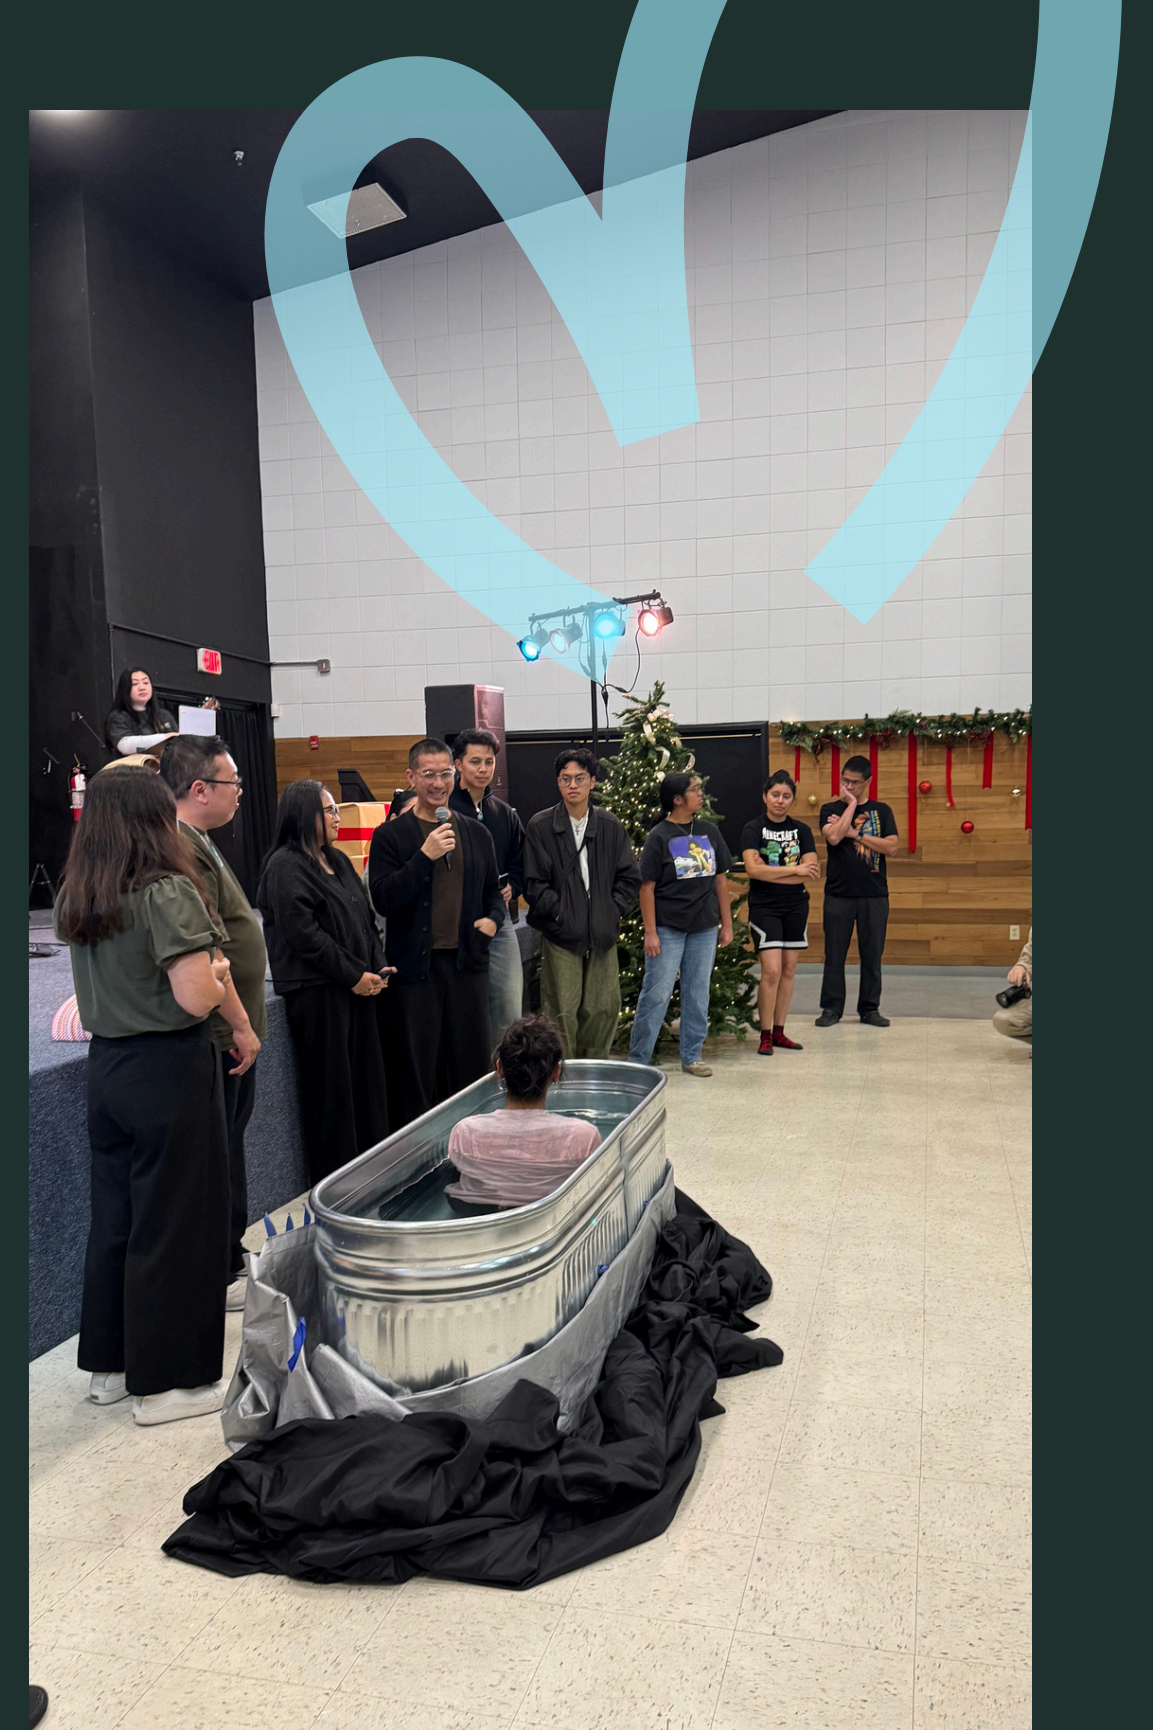

Opportunity for Joy School
in Kuala Lumpur, Malaysia

Mission Work
in Lebanon

Alpha & Baptisms

Alpha continues to be our main engagements with those who are curious, new to faith, and not quite new to faith to have conversations and learn in a safe space. Last year a group of 12 people attend the 10 Weeks Alpha Session hosted by Abbalove. In addition, they joined a whole Saturday retreat to talk deeper about the Holy Spirit. It was so encouraging to witness the previous Alpha cohort serving in this one as part of the team. One participant shared their experience this way, “I left the church many years ago because of the things I couldn’t stand about Christians. I was surprised to find a space like Alpha where I find a safe space to ask questions and more importantly a new family.” We also had the privilege this year of baptizing 10 people. Many of them journeyed through Alpha and our Kingdom Track.

Financial Report

FISCAL YEAR 2024-2025

Thankful for all of the generous contributions from everyone this past year. Without your **tithes & offering**, this community would not be able to exist and do the amazing work God called us to do.

The following represents a reviewed summary of income and corresponding expenses **for the fiscal year June 2024 through June 2025.**

The rest of the total income comes from Building fundraising, Mission Giving, Special Events, Conference and Book Sales. **Our monthly giving average this past year is \$20,745.**

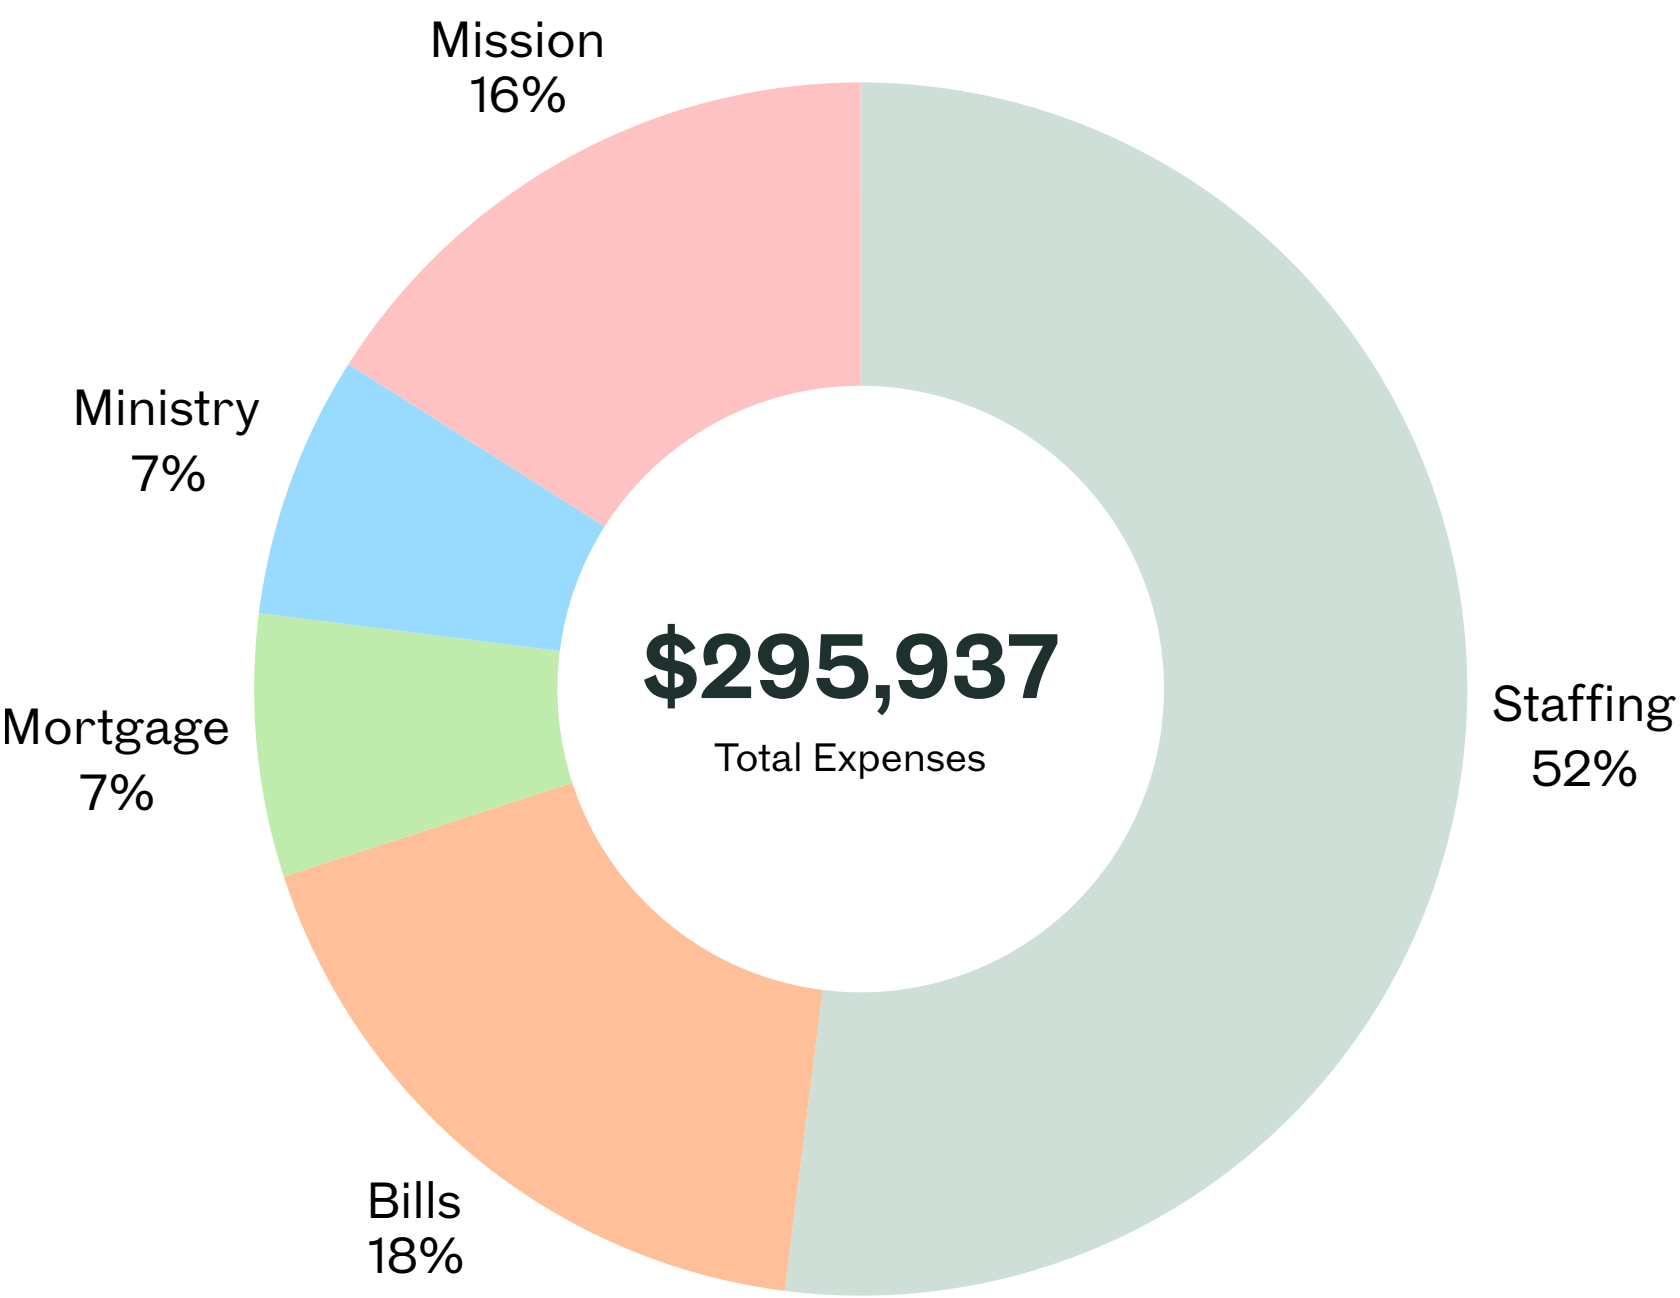

Ministry Expenses

Ministry includes but not limited to: Sunday gatherings, Alpha, Kingdom Track, Summer VBS, AbbaKidz, AbbaYouth, Abbalove Groups and Love Crew.

This past fiscal year our monthly expenses average is **\$26,002**. Our growing expenses reflects the ministry that is growing. We have been running our ministry / hospitality through **unconventional generosity & donations** that we are really grateful for.

Bills here includes continual building renovation & improvements that we are making throughout the year. We are committed to give towards **Mission** to support local and global works.

**Together,
We Move
Forward**

ABBALOVE

Looking forward to 2026 and what God is building in our community. Until we see Heaven Comes to the Chino Valley.
